Žlutá

Oregon 4

A close-up photograph of natural oak wood grain, showing a warm, golden-brown color with prominent, wavy, horizontal lines representing the wood's texture. The grain is consistent across the entire image.

Dub přírodní

A close-up photograph of a golden oak wood surface, showing a fine, consistent grain pattern with a warm, light brown color. The texture is smooth and uniform across the entire frame.

Zlatý dub

A close-up photograph of a light-colored wood surface, showing a fine, wavy grain pattern. The wood has a warm, pale tan or light brown hue. The grain lines are mostly horizontal but have a subtle, undulating quality. The lighting is even, highlighting the natural texture of the wood.

Birke rosé

Borovice horská

Winchester

Toscana

Nevada

Cherry amaretto

A close-up photograph of light oak wood grain, showing a prominent, wavy pattern of alternating light and dark brown tones. The texture is smooth and natural.

Dub světlý

Douglaska

Sorrento balsamico

A close-up photograph of a dark brown wood grain texture, showing fine, horizontal lines and subtle variations in color. The texture is consistent across the entire image.

Ořech

A close-up photograph of dark oak wood grain, showing a dense, wavy pattern of light and dark brown tones. The wood grain is oriented horizontally across the frame.

Dub tmavý

A close-up photograph of Mahagoni wood grain, showing a rich, dark reddish-brown color with a prominent, wavy, and irregular grain pattern. The texture is highly detailed, with varying shades of brown and red creating a complex, organic appearance. The grain runs horizontally across the frame, with some vertical streaks and knots visible.

Mahagon

The image features a dark brown, textured background that resembles a wood grain or a similar natural material. The texture is composed of fine, horizontal, wavy lines that create a sense of depth and movement. The color is a rich, dark chocolate brown with subtle variations in tone, giving it a natural, organic appearance.
